

We are the people
for your
photo
supplies.

You want to be sure that your films are FRESH. What a disappointment to take a picture and then have it not "develop."

We do a big photo supply business; that's why OUR goods are fresh.

Making and keeping pictures of "the trip" and of the children will be a joy in after life.

Now is the time to buy a Kodak.

These Three Important Links In The Chain of Confidence

Right Drugs means more than purity—it means also potency. We buy only drugs of standard strength and keep them in a way that insures against deterioration.

Right Service. You like the way we do business. Everything is done here to facilitate the handling of trade. Our rapidly increasing trade proves that our methods are appreciated. Use our free delivery service.

Right Prices. Careful and extensive buying enables us to furnish the highest grade of goods at a price lower than you often pay for inferior goods elsewhere.

We ask for your drug business on the basis of right goods, right service, and reasonable prices.
